- Resource Table

WE ARE EXCITED TO SEE YOU THERE!

Join us in making a difference and sponsor the 2025 Housing Matters Conference!

We are thrilled to invite you to sponsor this year's highly anticipated Housing Matters Conference, taking place **Monday, September 8 – Wednesday, September 10, 2025, at the Zermatt Resort in Midway, Utah**. Your partnership is essential to the success of this event and to advancing our shared mission of expanding access to affordable housing.

Confirm your sponsorship by July 7, 2025, to ensure your support is featured in our pre-conference marketing materials. Individual tickets are available for purchase, making it easy for everyone to enjoy the event in a way that works best for them.

Last year's conference was an extraordinary success, thanks to sponsors like you! Over 400 affordable housing professionals gathered to learn, share, and collaborate through powerful sessions, interactive breakouts, and inspirational speakers. Your generosity also made it possible to provide scholarships, giving participants the opportunity to attend educational sessions they might not have experienced otherwise.

Why sponsor in 2025?

This year promises to be even more impactful, with unparalleled opportunities to connect with leading experts, government officials, and professionals shaping the future of affordable housing and community development. By sponsoring, you'll help us continue to create spaces for innovation, collaboration, and meaningful change.

For questions or more information, please don't hesitate to **contact us at 616-490-5173** or email Zoe Newmann at znewmann@utahhousing.org.

Thank you for considering this opportunity to drive lasting change in our communities. Together, we can lead with hope and make a meaningful difference!

With gratitude,

Tara Rollins
